

GRADE 4
DAY #3

Division Facts: Dividing by 1 - 12

Find the quotient.

1. $63 \div 7 =$ _____
2. $16 \div 8 =$ _____
3. $4 \div 2 =$ _____
4. $54 \div 9 =$ _____
5. $30 \div 5 =$ _____
6. $80 \div 8 =$ _____
7. $10 \div 5 =$ _____
8. $70 \div 7 =$ _____
9. $11 \div 11 =$ _____
10. $42 \div 7 =$ _____
11. $21 \div 3 =$ _____
12. $40 \div 5 =$ _____
13. $49 \div 7 =$ _____
14. $24 \div 8 =$ _____
15. $5 \div 5 =$ _____
16. $90 \div 9 =$ _____
17. $2 \div 2 =$ _____
18. $66 \div 11 =$ _____
19. $90 \div 10 =$ _____
20. $36 \div 9 =$ _____
21. $42 \div 6 =$ _____
22. $81 \div 9 =$ _____
23. $48 \div 8 =$ _____
24. $16 \div 2 =$ _____
25. $20 \div 5 =$ _____
26. $56 \div 8 =$ _____
27. $60 \div 10 =$ _____

Addition word problems

Read and answer each question.

Annie's birthday is next week so her friends decided to throw her a surprise party.

1. Jessica, Annie's best friend, is hosting the party. She plans on making pizza for everyone. If she bought 15 pieces of pepperoni, 10 pieces of salami and 30 pieces of bacon as ingredients, how many pieces of meat did she buy in total?
2. Andrew, Annie's other friend, was assigned with the preparation of appetizers. He decided to bring 30 hotdogs on sticks, 20 pieces of bite-sized cheese pops and 40 pieces of chicken nuggets. How many portions of appetizers did Andrew bring in all?
3. Annie's mother has also been asked to be a part of the surprise. She was tasked to be in charge of drinks. She bought 15 cans of pop and made 25 glasses of orange juice, 15 glasses of grape juice and 5 glasses of apple juice. How many glasses of juice would there be?
4. Annie's friends wanted to make sure that there will be enough utensils to go around. If they already have 10 spoons and 10 forks and they bought 30 more for forks and 20 more spoons, how many utensils do they have available for the party?
5. On the actual day of Annie's birthday, almost everyone in her class came to surprise her. If Annie has 15 girl classmates, 20 boy classmates and 3 teachers in her class, write an equation showing how many people attended her birthday party.
