

## Day 1/Activity 3

\*Write your child's name on a piece of paper

-go around the house finding the letters in their name, for example on magazines or cereal boxes.

-cut out the letters and glue them to the paper to spell their name.

## Day 1/Activity 2

\*Measure items in and around your home using a ruler or yarn

\*Before measuring, have your child predict which one is bigger by looking at the objects; is the table taller than the door? Record the findings; the door is taller than the table.

## Day 1/Activity 1

Read a story to your child; be sure to include the title, author, and illustrator.

\*Several times during the reading, ask your child what do you think will happen next?

\*At the end of the story asks your child:

-Who were the main characters of the story?

-What happened at the end of the story?

-Can you hold the book and read it to me?

Read several books a day to your child!
